Mr. Emmons has an extensive reputation as a temperance lecturer, and was for years prominent in temperance work in the New England states. A quartet from the Washington will sing a temperance song. The music at these services will be in charge of Mr. Frank L. Lee, the pastor's assistant and musical director.

Prof. Nathan M. Lewis, organist. Prayer meeting, Wednesday evening. The boys of the Army and Navy, tourists, strangers, and the public generally are invited to these services. The members of the W. C. T. U. and all persons interested in temperance are most urgently requested to be present at the meeting on Sunday evening.

Chinese Church Special Service.

A service in English will be held in the Chinese church, Fort street, on Sunday evening, October 3, at 7:30 o'clock. An address will be given by Rev. Doremus Seudder, D.D., the subject being, "The Game of Life." In addition to the usual service of song, special music will be given by the glee club of Kawaiahae Seminary, and a solo on the violin will be rendered. A cordial invitation is extended to all to be present, especially Chinese young men and women.

Men's League Bible Study Group.

For eight months last year a group of about thirty men met regularly every Sunday morning from 10 to 11 o'clock in the pastor of Central Union church for the study and discussion of the fundamental questions of the Christian religion. There was a spirit of frankness about the discussions that at once made every man feel at home and ready to take part. There was no teacher in the usual sense of that term. Mr. Ebersole, the assistant minister of Central Union church, acted as leader, directing the discussion along helpful lines.

The fact that up to the last meeting in June the attendance kept right up close to thirty men is the best evidence that the class was considered worth while by the men.

Tomorrow morning this class resumes its sessions again and the committee in charge wishes hereby to extend a most cordial invitation to the men of the city to attend. It is not a Sunday school class. It is not for church members only. In fact one-half of last year's attendants were nonchurch members.

Any man, no matter what his view may be, is welcome to attend if he wants to make an honest study of the Bible.

The reading course in the Gospels, which proved so popular last year, will be continued, perhaps until the holidays, and then the class will take up the "Acts and Epistles."

Salvation Army.

October 2 and 3 will be special days for the Salvation Army. The divisional officer, Staff Captain Bradley, is relinquishing the command of the Hawaiian Islands division and Major John Willis will be installed in command. Staff Captain Bradley goes to Portland, Oregon, to take charge of the social operations in that city.

The indoor services at the hall on the corner of King street and Nuuanu avenue, will be preceded by two open air gatherings on Saturday night. All are invited to come. The Sunday meetings will be: At 9 o'clock in the morning, knee drill; 10 o'clock, children's meeting; 11 o'clock, holiness meeting; 6 in the afternoon, young people's meeting; 8 o'clock, salvation service.

Major Willis has for some years been the young peoples' secretary at San Francisco.

RHEUMATISM THE MOST COMMON CAUSE OF SUFFERING.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain which is at first temporary, has become permanent. For sale by all dealers, Benson, Smith & Co., Ltd., agents for Hawaii.

Newbro's Herpicide

BENEFITED

Miss Clutter's Hair

Read her letter about it:

"I herewith enclose you one of my latest photographs, which will show you what Newbro's Herpicide has done for my hair. Since using your remedy my hair is much longer than it was, and it has the lustre to it that one's hair always has when the scalp is in a healthy condition."
 "(Signed)

"MISS MADELINE CLUTTER,
 "No. 3953 Michigan Ave., Flat 210,
 Chicago, Ill."

The immense popularity of Newbro's Herpicide, particularly among the better class, is due to the fact that it never disappoints. It does all and more than is claimed for it.

Its delightful fragrance, perfect clearness and freedom from grease or oil, appeal to the discriminating, and its cleansing, refreshing and health-giving effect upon the scalp is immediately apparent. Herpicide makes the hair light and fluffy and gives it a silken gloss.

Extraordinarily long hair is a gift of Nature that relatively few possess, but not many would complain if they could save Nature's head covering in its original beauty and luxuriance.

The dandruff germ is the greatest enemy of abundant hair. This is on account of the highly contagious nature of dandruff, which makes it almost impossible to escape the disease without the occasional use of a germ-destrory solution.

Newbro's Herpicide is the ORIGINAL remedy that "kills the dandruff germ." It promptly eradicates dandruff, stops falling hair, and (except in chronic baldness) restores the hair to its former health and activity. Herpicide stops itching of the scalp almost instantly.

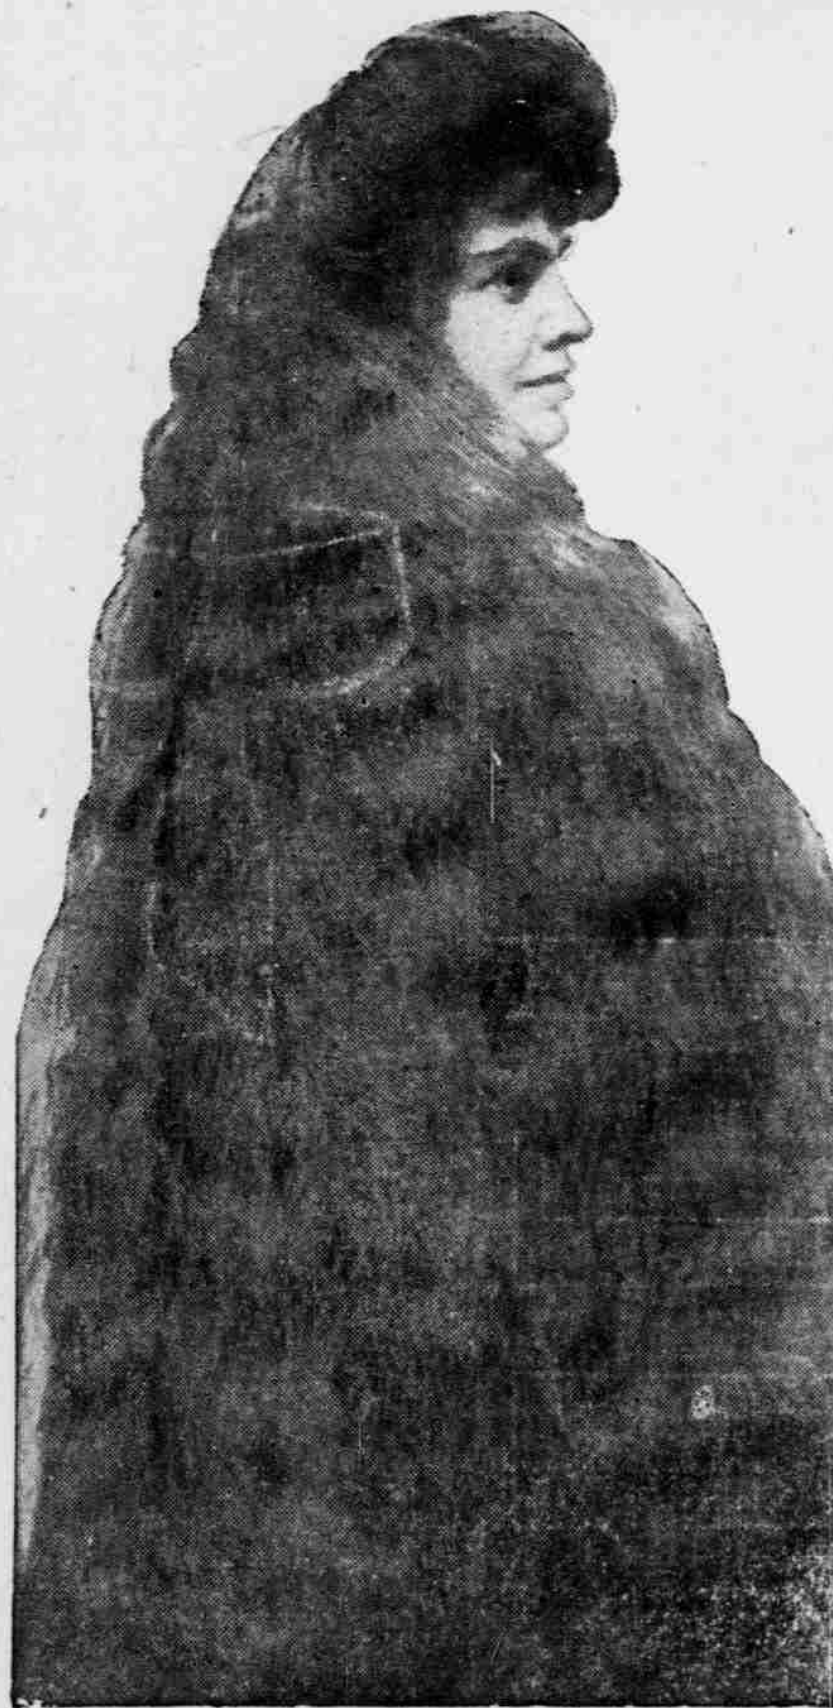

Two sizes, 50c. and \$1. At Drug Stores. Send 10c. in stamps to The HERPICIDE CO., Dept. N., DETROIT, MICH., for a sample. Guaranteed under the Food and Drugs Act, June 30, 1908. Serial No. 915. BE SURE AND GET HERPICIDE

SCHOOL DICTIONARY.

A handy volume of Webster's New Standard dictionary has reached this office from the publishers, Laird and Lee. It is intended for the use of students in the schools and is worthy the attention of teachers everywhere. The book is of 756 pages bound in stamped cloth and printed in good clear type on good paper. On almost every page is an illustration, sometimes two, which will prove valuable to the scholar. There are colored plates and several full page illustrations which point the way to subjects rarely treated in any but the large encyclopedic volumes. If there is any objection to the book, even on the part of the most persistent hairsplitters, it can not go beyond the title, "New Standard," which may be misleading to those who buy quickly. At the price, or more, it should be in every student's schoolbag. This amount (75 cents) sent to the publishers, Messrs. Laird and Lee, Chicago, Ill., will bring a volume.

HARRY MURRAY LEAVES GARAGE

H. E. Murray, who has been connected with the Associated Garage for the past year and a half, as manager, has tendered his resignation and will be supplanted by H. B. Odell, who recently arrived from the Coast.

Mr. Odell has had considerable experience in the automobile line, having prior to his engagement on the Coast been connected with some of the leading automobile establishments in the Eastern States.

It is with regret that the patrons of the Associated Garage note Mr. Murray's retirement and it is hoped that he may experience every success in the work which he will now take up.
